

# WHERE YOUR BIKE REFLECTS YOU?

*YOULEO* | Be Yourself

## Be Yourself

Welcome to the enchanting world of Yoeleo's BeYourself, where we transform your ideal bike into a tangible reality! This isn't merely about picking a color—it's about kindling your passion, articulating your personality, and building an intimate connection with your ride.

At Yoeleo, we believe that every bike should narrate a tale, YOUR tale. The Classic model exudes an air of elegance and simplicity, making a strong, unequivocal statement. The Faded model narrates your journey from one hue to another in a seamless gradient, reflecting your dynamic and evolving personality. Meanwhile, the Cut model captivates with an interesting interplay of colors, illustrating your audacious spirit and vibrancy.

Feeling audacious? Embark on the journey of the Designer's Canvas. Collaborate with our skilled designers to conceive a masterpiece that's more than just a bike—it's an embodiment of your unique character, reflecting your true essence.

And for those who appreciate our stock colors, the Signature Stock option lets you etch your identity onto your bike. Personalize it with decals—express your name, showcase your team spirit, or flaunt your national pride.

Why conform to the ordinary when you can have the extraordinary? With Yoeleo BeYourself, you're not merely purchasing a bike, you're creating it! Unleash your creativity, embark on this exhilarating journey, and return home on a bike that's absolutely one in a million. Your vivid adventure begins now, with nothing to hide and no need to be anything but your genuine, vibrant self!

For an immersive upgrade to your custom design, consider our special electroplate painting finish, available across all tiers for a modest additional fee. This exclusive enhancement lends your bike an extraordinary gleam and unique sophistication.

Taking inspiration from the stunning phenomena of light and color, our special electroplate palette, aptly named "Dazzle Chroma Series," features a range of hues designed to captivate and impress.

**Red** Ignite your ride with this vibrant and fiery hue.

**Rose Red** Exude the warmth and romance of this deep, passionate color.

**Pink** Embrace the playful, youthful spirit that this light-hearted hue brings.

**Purple Red** Experience the majestic and royal vibe of this unique blend.

**Gold** Immerse yourself in the opulence and grandeur of this timeless hue.

**Green** Invoke serenity and tranquility with this refreshing color.

**Dark Green** Dive into the depth and intensity of this powerful shade.

**Light Blue** Breathe in the cool, calming aura of this serene hue.

**Sapphire** Revel in the sophistication and brilliance of this gem-like color.

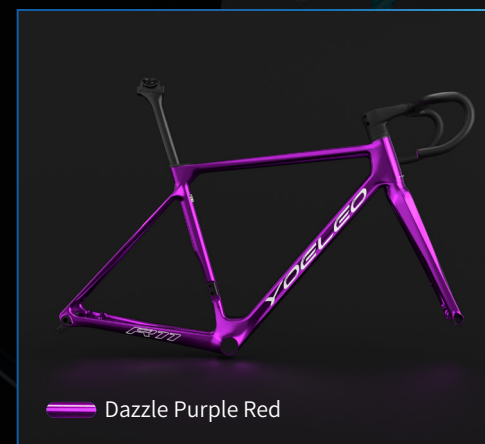

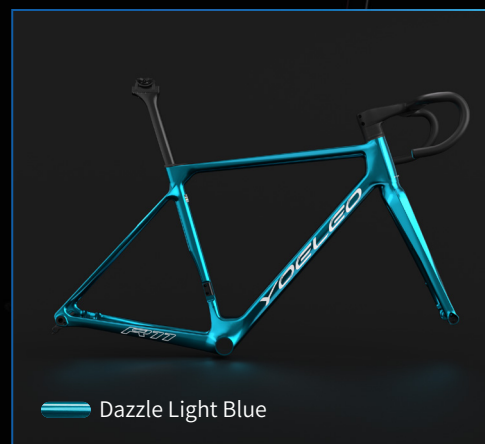

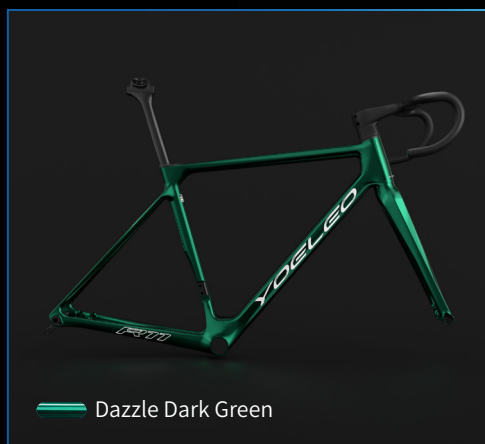

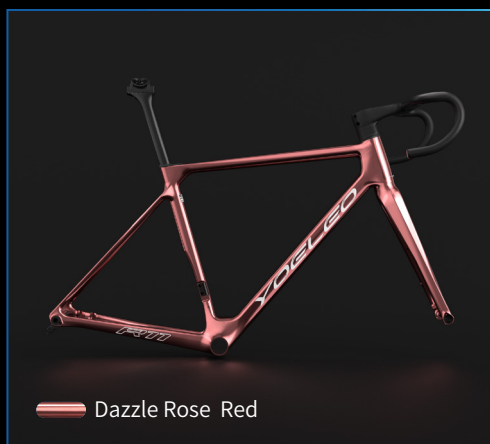

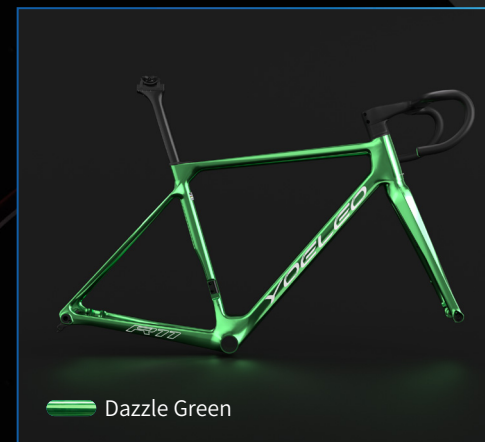

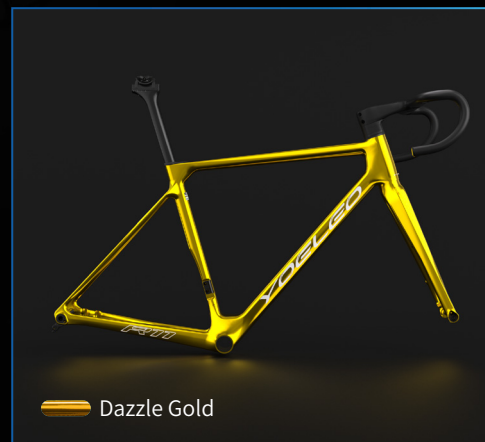

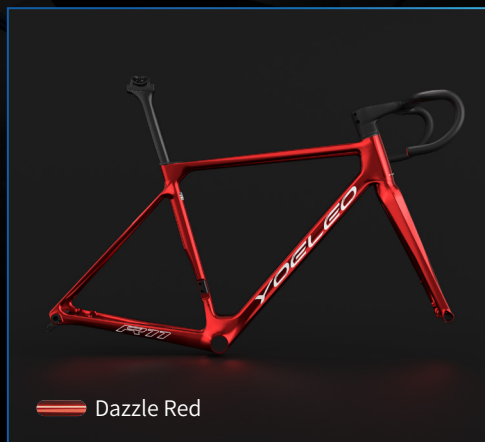

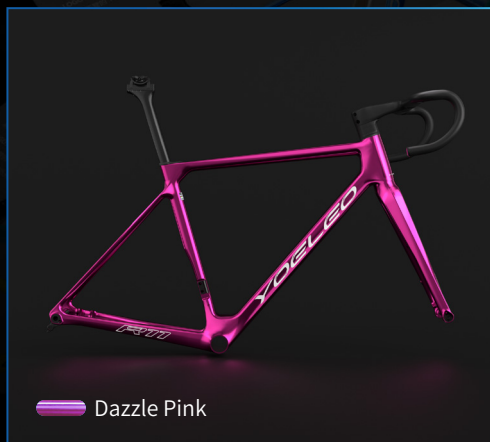

**Purple Blue** Explore the enigmatic mystery and allure that this color offers.

Each of these dazzling hues from our special electroplate palette is designed to bring an extra layer of shine and distinction to your ride. Choose the one that resonates with you the most and let your Yoeleo bike be an extension of your personality!

# Dazzle Chroma Series Classic R77

Immerse your ride in a singular hue from the Dazzle Chroma palette. The Dazzle Monochrome design imbues your bike frame and fork with a captivating depth of color and a shimmering finish, offering a blend of elegance and simplicity that never goes out of style. (1 color, Frame & fork)
